THE ANNUAL PUBLICATION
OF
STATE TEACHERS COLLEGE
RADFORD, VIRGINIA

Foreword

As every imperfect year comes to a close, we strive for a life filled with perfection.

This year has had a threefold meaning for us. It has been a year of national struggle for victory over the enemies of our country; of facing an uncertain future; and of living some of the happiest moments of our lives. The memory of those days lingers around us and will grow sweeter as they fade into the distant past.

We publish this yearbook now in order to bring back more vividly throughout the coming years those scenes we can never relive, those friends whom we intend never to forget.

We go forth to fight for the freedoms and ideals which are our heritage!

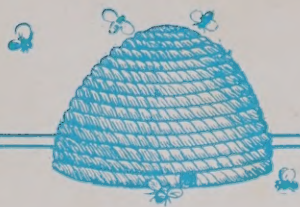

Dedication

To Lieutenant Robert J. Young

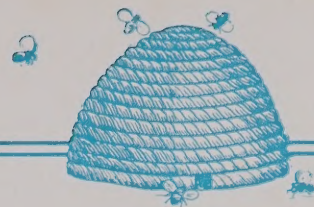

a former sponsor of the BEE HIVE, we dedicate this 1942-43 BEE HIVE. For several years he has been an inspiration and help to us. Now, while he is serving our country in its time of need, we wish to remember him—hoping that by dedicating this annual to him we dedicate it to our country's victory and to the lasting peace for which he stands an emblem.

*Best wishes
Robert J. Young*

Dr. David Wilbur Peters

Dr. David Wilbur Peters, President of Radford College, we extend our many thanks for the courtesies, understanding, guidance, and help which you have so liberally given to us during our past years of association with Radford College. The dark clouds of war that came during our college life were lightened by your cheerfulness in those early days of despair. That same cheerfulness continues to brighten these present days in a world that has learned to hope.

DR. M'LEDGE MÖFFETT

Words cannot express how deeply we have felt and appreciated your loving guidance and helpful advice given to us both in hours of happiness and of trouble. Your influence will follow us, and your memory will linger with us, as long as we shall live.

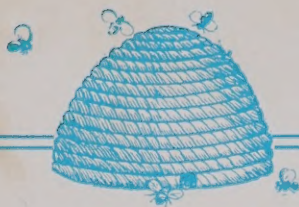

M'Ledg Möffett

MR. JEREMY PATE WHITT

For helping us in our hours of need, we also wish to thank you, The Registrar of Radford College. The flaming spirit of Radford will always burn as you carry on in the years which follow—years of victory and of success and happiness.

IN MEMORIAM

Francis Burke Fitzpatrick

Born March 15, 1872

Died March 13, 1943

One of the cornerstones of Radford College is removed with the passing of Professor Fitzpatrick. In life, he was a living emblem of life at its purest and best; death only makes him a spirit that echoes in every hall and classroom where his greatness was expressed.

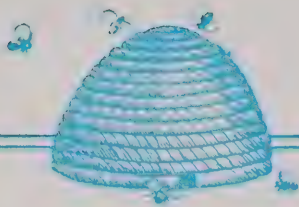

"There be of them that have left a name behind them."

saith the Lord of hosts."* Zechariah 4:6

The Young Women's Christian Association, established at Radford in 1913, is one of the oldest and largest organizations on the campus. Through its participation in the World's Student Christian Federation the members have fellowship with college students all over this war-torn world.

PURPOSE

*We are the music makers,
And we are the dreamers of dreams,
Wondering by lone sea-breakers,
And sitting by desolate streams;*

*World-lovers and world-forsakers,
On whom the pale moon gleams,
Yet we are the movers and shakers
Of the world forever, it seems.*

The "ANNUAL" RESULT

For two generations the STONE imprint on college yearbooks has carried with it the assurance of high-quality printing and "on-time" delivery. We handle the entire production job, with careful supervision from beginning to end. Working in close cooperation with the editors and staff members of college annuals, our skilled artists plan the layout. Half-tone illustrations are made under the direction of engraving experts. The utmost care in printing and binding produce a finished job of which any school may well be proud.

Sunday Evening

Dearest Edith,

I shall never forget this year
and the happy experiences it has
brought to me. You have been a real
sweet roommate. I have enjoyed being
with you this year. How can I forget
the good times we have had, singing,
playing, going to shows, and "eating"
as well as many other things.

I'm not going to say good-bye 'cause
I'm sure we will see each other again.
But I wish you the best of luck in
life, Edith, and I say it with all my heart.
Be good - write to me. Love always, Nell

June 6, 1943 -
Sunday afternoon

Dearest Edith,

It is so hard to put in words just what I would like to say. I shall always remember my first year at dear "ali" R. & T.C. because it has indeed been a happy one although we have had our "ups and downs." for instance finishing garments for Home Ec. ^{1st} I don't guess that you will forget those yellow jumpers and your brown suit, ^{2nd} will you? I feel sure that you will be a fine teacher. Keep up your good works and you will succeed.

I have enjoyed having you as a roommate, you have been so sweet. Although I am happy that school is about out and we will soon be at home, I do hate to break up our little "happy" suit. I feel sure that we will be seeing each other real soon. I might even come back for your graduation, who knows? and be your "little sister."

Don't work too hard this summer and be a good girl. Edith, I wish for you a very happy and prosperous future. Write to me often. May God bless you always.
